

**LAGUNA BEACH UNIFIED SCHOOL DISTRICT  
GOVERNING BOARD MEMBER**

**JAN VICKERS**

**OCCUPATION:** Governing Board Member, Laguna Beach Unified School, District, Teacher

Integrity, cooperation, intellect and research describe my professional work as teacher, school administrator, artist, foster parent and Trustee. My California teaching credentials include Secondary, Elementary and Early Childhood Specialist. I have lived in Laguna Beach 36 years. Our oldest son, Ian, went K-12 in Laguna Beach Schools; Raphael is entering seventh grade at Thurston.

Elected four years ago as Trustee of Laguna Beach School District you entrusted me with the responsibilities of policy setting, financial accountability and curriculum oversight. The district's accomplishments will give you every confidence in re-electing me.

The district's \$25 million dollar budget is prudently allocated, the reserve is healthy and audits verify accountability. The \$39 million dollar bond affords us new and spectacularly modernized facilities/fields at all schools. The projects were within budget, timely, and funding for repair and replacement is in place.

New, challenging math and language arts textbook adoptions are keeping pace with the increased demands for academic accomplishments including state standards and federal-No Child Left Behind mandates.

I prepare and attend meetings, asking questions and giving input. I am responsive to students, staff and parents and ready to carry forward the concerns/issues brought to me. Thank you for your continuing support and trust.
